## Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG921178

**Application.** Springlake Dairy, LLC, 1960 County Road 1028, Muleshoe, Texas 79347 has applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant has decreased the acreage of LMU #2 from 30 to 27 acres to expand the commodity storage area, and the total land application area has decreased from 303 to 300 acres. Other changes include the addition of manure storage area and a well. The facility maps have been updated to reflect these changes. The notice of change application and the updated NMP were received by TCEQ on August 16, 2018.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located at 1551 US Highway 385, Amherst, Lamb County, Texas. The facility is located in the drainage area of the Double Mountain Fork Brazos River in Segment No. 1241 of the Brazos River Basin. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice.
